

Ordering and Payment by Credit Card

Due to the big worldwide increase in credit card crime in recent years we require the following information when credit card sales are made. If you wish to pay by credit card, we need the following information. This will be checked with our card services supplier at the time of the transaction and will give you security and peace of mind knowing that we are taking the security of your credit card as seriously as you are.

1. Credit card number.....
2. Credit card valid from date...../.....expiry date...../.....
3. Issue Number(on some debit cards only).....
4. Last 3 numbers of the security code – this is found on the reverse side of the card on or above/under the signature.....
5. Full name and address of cardholder, including street number and postcode/zipcode. Country. Contact Telephone number

6. Full delivery address for goods will be the same as the cardholders address. Contact telephone number is a requirement of all courier companies

7. Name as it appears on the card.....

Please send this information by fax. For security reasons it is better to send by fax. Please note that for your benefit, goods ordered by credit card will be delivered by courier with internet tracking facilities. If ordering from another country, you may be liable for any import duty/other taxes. Goods being sent 'between' countries in the EEC are not liable for any customs duties.
